

PRESENTATION TIPS

1. It will be an oral presentation. You can have notes, but you mustn't read from them all the time.
2. In order to make your presentation more interesting, you can prepare a PowerPoint with pictures, music, etc. But don't include text in the slides.

3. In the presentation you must include:

- An introduction of your character (name, likes and dislikes, budget, ...).
- A complete description of what he/she is going to do every day (morning, afternoon, evening).
- Expenses.

Plane tickets	180 €
Hotel	240 €
Theatre ticket	35 €
...	
total	730 €

- Any other information that may be interesting.

4. If you have any questions before the presentation, ask your teacher.
